This is the complete offline installer and standalone setup for Naruto Storm 4 PC game. It will be compatible with both 32 bits and 64-bit windows. Naruto Shippuden: Ultimate Ninja Storm 4 es un juego de lucha que pone un punto y finally a load aventuras del joven ninja Naruto, no tan joven ahora, que tenía un sueño: ser el Hokage de su aldea. «Los enemigos casi invencibles que te encontrarás durante tu aventura le permitirán conseguirlo? Tendrás que defender la Aldea Oculta de Leaf with the help of your friends if find out how the story of this fearless ninja ends. Good adjustment of closing the story of Naruto This fighting game features the story mode, adventure mode, online combat and free battles. This is how Complete Naruto Shippuden: Ultimate Ninja Storm 4 is offered, which will indulge in fans of Masashi Kishimoto's story as it is based on the end of the patched animated series of Naruto's last two films. Thanks to adventure mode and story mode, you will experience the fourth ninja war in the first person if you remember epic battles. All of this decorates with cinemas, somewhat extensive at times, and rows that help you keep track of all the plot and with tutorials that will teach you the controls and strategies of this video game saga. Incredible animations of all movementsThe graphics are expected from an anime-to-video game adjustment. It features many colorful graphics, lofty action scenes and very rich scenarios that can be well appreciated in the free world of adventure mode. Each scenario, 40 in total, is created by a pleasant soundtrack that helps the entire universe of Naruto Shippuden: Ultimate Ninja Storm 4. The 2D animations of each character's fighting move, most famous player-versus player modes, follow the style of their prequels. You can unlock the characters, a total of more than 120, through each campaign. It is worth noting the rich dubbing that uses the original voices of each character in both English and Japanese. Everything is subtitled to Spanish, so it's impossible for you to miss out on detail. The installment of the Naruto game saga sets as a novelty the wake-up fighting mode, where when you reach 40% of your life, you will activate much more powerful attacks. In addition, some of the ninja techniques will be improved depending on the scenario you are in, an essential fact if you want to make most of the characters and the scenarios in competitive mode. Become the best ninja and defeat great enemies Even if you've played the previous instalments of the game as if you're new to the ninja fighting genre, this game will overcome you. Hours of fun and heart attack are waiting for you with this fighting game. You don't have to be a fan of the Naruto universe to play Naruto Shippuden: Ultimate Ninja Storm 4, as adventure mode and story mode is able to help you understand the plot in a clear and fun way. Local and online competitive modeA variety of charactersTotal true to the original story What-uneven features in online modeTrama a little intimidating if you don't know Naruto Naruto
