Please note that we are not responsible for content posted on these websites or for the design of these sites. The Information Technology Office is working on migration and is looking to move lotus notes employees to new services in the coming months. So WHY we're migrating to Lotus Notes:More familiar with users, so there's a lower learning curve. It integrates with other software tools and applications available for our area. In general, it is simpler and easier to use, regardless of the device you use. The main benefit of G Suite is that we can access email, contacts and calendar from any computer or mobile device with internet connection, anywhere in the worldAs it will be available and when:Email, calendars and contacts will be copied from Lotus Notes to G Suite first. All HIDOE employees will have their new G Suite accounts on May 1, 2019.Google will be the official email for doe work and communication as of summer 2019.Each student will also receive a G Suite account starting from the summer of 2020.Starting in the 2019-2020 school year and continuing for the next 2 years, the data will be migrated from school G Suite accounts to the new HIDOE G Suite accounts.
